[Final Draft Sandoval conditional response to NPL.3 18 16.docx](#)
[ATT00001.htm](#)

Jared,

This is a draft of the letter that Pam and I would like to discuss with you. I can't stress enough how confidential we view this draft. But we also know you need to know what we are contemplating. I'm asking that you just keep this to yourself. We'll call you at 11:00. What number would you like us to reach you on?
